

**TF8219 & TF8220: Side Sills Chequer Plate – Silver or Black – All Defender 90****Fitting Instructions****Required Tools:**

4mm Allen key, a ratchet one will be quicker and easier

3mm pilot drill bit and a 6mm drill bit, an electric/cordless drill

10mm spanner or socket and ratchet

Masking tape, pen and tape measure

Cleaning kit

1. Make sure the area you are fitting the chequer plate to is clean, dry and as dent free as possible.
2. To avoid scratching the body work the outside of the area can be masked off with the masking tape, this is particularly advised for the more visible areas such as bonnet and wing tops.
3. Offer the chequer plate up to the designed area, ensure it fits correctly and is straight and evenly spaced from any edges or other cut-outs.
4. When you are happy with the position of the chequer plate mark the holes, when you have marked the last one go back and check the first is still in the right place
5. Double check you are happy with the position before drilling.
6. When you are happy with the position and you have double checked everything drill a pilot hole in the centre of each mark and then drill out to the correct size.
7. Offer the chequer plate back up and make sure all the holes are correct.
8. Remove the masking tape.
9. Carefully put the chequer plate back in place and start bolting it up, leave the bolts loose until they are all in then go along and tighten them all up, do not over tighten them.

**WARRANTY & DISCLAIMER** - Terrafirma products are warranted free from defects in materials and workmanship for a period of 12 months from the date of retail invoice. Terrafirma does not warrant that the products manufactured or marketed by it comply with the laws of the country where those goods are purchased or used. It is the sole responsibility of the purchaser to ascertain whether products being purchased, or the fitting of those products to any other object, comply with local laws. This warranty covers structural defect and workmanship but does not cover finishes, labour charges for removal or refitting, freight costs, accident damage, misuse or abuse, damage due to incorrect or improper fitment or application, modified product, faulty design or consequential damage of any kind. Damage or defects caused by collision, alteration, improper installation, road hazards, adverse conditions or usage for any other purpose other than normal private usage are not covered by this warranty. Terrafirma shall not be liable for any other claim relating to the use of the product and any indirect special or consequential damage or injury to any person, company or other entity. All claims must be accompanied by the original retail invoice and should be submitted to the supplying Allmakes 4x4/Terrafirma distributor. This warranty covers only the replacement of the product or part concerned. The decision remains solely at the discretion of Allmakes Ltd. The information contained in this catalogue was correct at the time of going to press. Allmakes/Terrafirma and its associated companies reserve the right to alter the range and any product specifications without notice. Always consult your Allmakes/Terrafirma distributor for the latest product information and specifications. The Terrafirma range of products is constantly being evaluated for enhancement and improvement to make sure the level of quality and performance is as expected.
