

1. Put the car into gear or park and apply the hand brake.
2. Remove the seat base cushion. Pull the base sharply upwards to release. If you have heated seats you'll need to disconnect them by squeezing the connectors to release. Make a note of which connector goes where.
3. Remove the four fixing bolts from the seat frame.
4. Slide the seat fully forwards to access the rearmost mounting bolts.
5. Retain and refit the spacer blocks on models fitted with no sound insulation matting or carpeting.
6. Push the plastic end plugs into the ends of the rails.
7. There are three different lengths of bolts supplied with the rails. 50mm, 25mm & 16mm.
8. Fit the rear medium length (25mm) fixing bolts inside the wide end of the rails. This is the rearmost fixing.
9. Pass the Allen key through the hole in the top of the rail to tighten.
10. Use the long fixing bolts (50mm) at the front of the rails. This bolt passes all the way through the rail. Do not tighten this fixing fully at this stage.
11. Replace the seat frame on top of the Rails and fix in place using the four remaining short (16mm) bolts.
12. Fully tighten all of the remaining fixings including the front Rail fixing into the seatbox.
13. Replace the seat base. If you have heated seats, don't forget to reconnect the plugs now.

**WARRANTY & DISCLAIMER** - Terrafirma products are warranted free from defects in materials and workmanship for a period of 12 months from the date of retail invoice. Terrafirma does not warrant that the products manufactured or marketed by it comply with the laws of the country where those goods are purchased or used. It is the sole responsibility of the purchaser to ascertain whether products being purchased, or the fitting of those products to any other object, comply with local laws. This warranty covers structural defect and workmanship but does not cover finishes, labour charges for removal or refitting, freight costs, accident damage, misuse or abuse, damage due to incorrect or improper fitment or application, modified product, faulty design or consequential damage of any kind. Damage or defects caused by collision, alteration, improper installation, road hazards, adverse conditions or usage for any other purpose other than normal private usage are not covered by this warranty. Terrafirma shall not be liable for any other claim relating to the use of the product and any indirect special or consequential damage or injury to any person, company or other entity. All claims must be accompanied by the original retail invoice and should be submitted to the supplying Allmakes 4x4/Terrafirma distributor. This warranty covers only the replacement of the product or part concerned. The decision remains solely at the discretion of Allmakes Ltd. The information contained in this catalogue was correct at the time of going to press. Allmakes/Terrafirma and its associated companies reserve the right to alter the range and any product specifications without notice. Always consult your Allmakes/Terrafirma distributor for the latest product information and specifications. The Terrafirma range of products is constantly being evaluated for enhancement and improvement to make sure the level of quality and performance is as expected.
