

TF2020 : TERRAFIRMA LOAD SPACE PARCEL SHELF

DISCOVERY 3 & DISCOVERY 4

FITTING INSTRUCTIONS

With the vehicle parked securely, undo the countersunk self-tapping retaining screws that fasten the rearmost passenger grab handles to the inside of the roof of the load space compartment. The screws are hidden via a small cover that flips upwards to reveal each screw head.

The storage shelf itself attaches to brackets with the aid of 6 thumb screws (2 each on the underside and 1 at the front of each mounting bracket). The brackets themselves attach to the vehicle using the 4 x longer panhead self-tapping screws (supplied).

Locate the left & right hand grab handles in to their respective brackets, you'll notice that there are cutouts in the brackets that match the grab handle mounting – push them in to place until they're flush to the bracket, this simplifies installation.

Offer the grab handles and brackets up to their original location before using the panhead retaining screws to secure them in place on both sides of the vehicle.

WARRANTY & DISCLAIMER - Terrafirma products are warranted free from defects in materials and workmanship for a period of 12 months from the date of retail invoice. Terrafirma does not warrant that the products manufactured or marketed by it comply with the laws of the country where those goods are purchased or used. It is the sole responsibility of the purchaser to ascertain whether products being purchased, or the fitting of those products to any other object, comply with local laws. This warranty covers structural defect and workmanship but does not cover finishes, labour charges for removal or refitting, freight costs, accident damage, misuse or abuse, damage due to incorrect or improper fitment or application, modified product, faulty design or consequential damage of any kind. Damage or defects caused by collision, alteration, improper installation, road hazards, adverse conditions or usage for any other purpose other than normal private usage are not covered by this warranty. Terrafirma shall not be liable for any other claim relating to the use of the product and any indirect special or consequential damage or injury to any person, company or other entity. All claims must be accompanied by the original retail invoice and should be submitted to the supplying Allmakes 4x4/Terrafirma distributor. This warranty covers only the replacement of the product or part concerned. The decision remains solely at the discretion of Allmakes Ltd. The information contained in this catalogue was correct at the time of going to press. Allmakes/Terrafirma and its associated companies reserve the right to alter the range and any product specifications without notice. Always consult your Allmakes/Terrafirma distributor for the latest product information and specifications. The Terrafirma range of products is constantly being evaluated for enhancement and improvement to make sure the level of quality and performance is as expected.

D3 / D4**

Open one of the passenger side doors, slide the rack in to the back of vehicle then lift the rack up and slide in to place so that it rests on the mounting brackets. This may be easier with an assistant but is not necessary.

Once in place, loosely secure the rack to the brackets using the 6 thumb screws: 2 at the front, one each side and 2 each per bracket that screw upwards. Once all are in place, tighten all by hand, no tools are required.
